The interest rate and annual percentage yield earned on all accounts are set by bank management and may change from time to time without notice. The interest rate and annual percentage yield at which a Time Certificate or Fixed Rate IRA is opened is fixed for the term of that Time Certificate or Fixed Rate IRA unless otherwise stated. Penalty for early withdrawal will be assessed on Time Certificates and Fixed Rate IRAs.

We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day. Fees may also reduce earnings. Contact a bank employee for further information about fees and applicable terms.
